Kaltura

Kaltura is an open-source video platform, and with which Tiki integrates and is part of the Tiki Suite

- Documentation about how to use: doc:Kaltura
  - http://doc.tiki.org/Tiki-Kaltura+Integration
- Feature requests and bug reports: dev:Kaltura
- Project site: Kaltura
- http://kaltura.github.io/platform-install-packages/

Some notes:

- The initial integration was started as part of the 2009 Google Summer of Code
  - A TikiFest on the topic: TikiFest2009-London-2-GSOC
- Tikidogfooded the idea of integration and came up with tv.tiki.org. It all started in New York
  - Targeting Integration of Kaltura by Tiki6-release done
