

2012 Year in Review

Sometime in 2013

- After [Tiki website revamp](#)
- When Tiki 9.x LTS is quite mature

We will write to all [500+ SF devs](#) and a few weeks later, to all tiki.org site members

Maybe we'll accelerate to get:

- 2012 Open Source CMS Market Share Survey
- <http://info.tiki.org/article202-Vote-for-Tiki-Best-Free-CMS> (voting until November 11th, 2012)
- <http://www.waterandstone.com/book/2011-open-source-cms-market-share-survey-now-open>

Content

- Inform them of [Terms of Service](#) and [Privacy Policy](#) and <http://branding.tiki.org/Trademark>
- Change of passw storage
- Give them news of last several years
- How to delete their account
- Updated password policy (min length, hash size, etc.)
- How to subscribe to the newsletter
- Explain new [version lifecycle](#) and encourage them to upgrade
- Promote [1-click installers](#)
- Promote sponsors
- Ask for a [Contribute to Tiki](#)
- Encourage them to join a [Team](#)
- Update their user tracker
- tiki.org will soon show all user contributions to improve social networking. This setting should have been like that since the beginning and we are now correcting. If you disagree, let us know or delete your account
- See message sent to 500 SF devs in 2012-11

Year in Review Message

This is the 2011 Year in Review message that was sent to all SourceForge Tiki members (Nov 4, 2011).

Tiki Wiki CMS Groupware: 2011 Year In Review

You are receiving this message because you belong to the Tiki Tiki CMS Groupware project on SourceForge.net (<http://sourceforge.net/projects/tikiwiki/>).

This year has been an exciting time for the Tiki Community! As the year draws to a close, we want to give a quick recap of all that's been going on. In addition to this summary, we want to pass along three important invitations:

- The 2011 Open Source CMS Market Share Survey is now open. It takes only a few minutes to complete the survey, and your input will help Tiki. See <http://info.tiki.org/article179-Support-Tiki-in-the-2011-Open-Source-CMS-Market-Share-Survey> for details.
- If you offer any Tiki-related services (hosting, customization, and so on), we invite you to join the Tiki Service Providers program. See <http://info.tiki.org/Tiki+Service+Provider> for details.
- Please support Tiki (and your favorite Free/Open Source projects) on Ohloh.net, <http://info.tiki.org/article168-Support-Tiki-and-your-favorite-Free-Open-Source-projects-on-Ohloh-net>

Now, on with the year in review....

January

- Tiki featured on the Floss Weekly Netcast (episode 146), <http://info.tiki.org/article136-Watch-Tiki-s-Marc-Laporte-on-FLOSS-Weekly>
- Tiki Passes 900,000 Downloads on SourceForge.net, <http://info.tiki.org/article139-Tiki-Passes-900-000-Downloads-on-SourceForge-net>
- Tiki integrates BigBlueButton (a free/open source, real-time, collaboration tool with audio, video, screen sharing, and whiteboarding features), <http://info.tiki.org/article142-Collaborative-web-conferencing-with-Tiki-and-BigBlueButton>

February

- Tiki Trackers: The Easy Way to build forms and add interaction to your website, <http://info.tiki.org/article152-Tiki-Trackers-The-Easy-Way-to-add-interaction>
