Where

<https://live.tiki.org>

What

See [Roundtable Meetings](#) for a detailed description.

Topics

1st hour quick news

- [Tiki 19.0](#) Release news
- [Video tracker](#) at doc.tiki.org is ready to use - clarification needed?
- December 10th 2018 is deadline for submission of proposals for the Fosdem [devroom on Collaborative information and content management applications Call for Participation](#). Who will attend and/or apply a talk?
 - ...

Hotel or airBnB?

Second hour, longer topics

1. Is the info (blue) perspective still needed at tiki.org? It causes problems with navigation and searches. Maybe a better approach would be to improve the presentation at tiki.org without that perspective.
2. Review of the pending Tiki **Community Items** (issues and wishes affecting the Community as a whole and *.t.o sites), for up to 15 minutes. See
 - <https://dev.tiki.org/Community+items#Summary> and <https://dev.tiki.org/Community+items#List> (Why this?)
3. ...

Recording

- <http://recordings.blindsidenetworks.com/citadelrock/d559965849921585c1849af03b7a51638700d979-1542294004020/presentation/?t=00m00s>
