The options are as follows:

- \* Last Changes this allows the user to see which pages have changed. See Last Changes below
- \* Dump this allows the user to create a compressed file from the page
- \* Rankings this will show which pages are hot or how much activity they have had. See Wiki Rankings below
- \* List Pages this provides a complete listing of all pages in the site. See List Pages below
- \* Orphan Pages pages do get orphaned with time - that is - the links to them are removed. This option provides a way to find them. See Backlinks & Orphan Pages below
- \* Sandbox this is a safe place to experiment with Wiki Syntax or HTML. See The Sandbox below
- \* Print this allows multiple pages to be printed. See Wiki Printing below
